

What's *your* policy's hammer clause?

Most E&O policies require you to pay 100% of the claim amount and expenses if you refuse to settle the claim. But as a Big “I” member, you have access to professional liability from Allianz which features a “softened hammer clause” that limits your responsibility to 20% of the claim amount and expenses.

Contact your dedicated Big “I” program manager to learn more about this and other Allianz features.
