## **Compromised client data is not cool.**

An accidental release of your clients' personal information can put your agency in hot water. The Big "I" can help you stay cool with Program Data Compromise Coverage from Allianz.

Contact your dedicated Big "I" state administrator to learn more about this and other Allianz policy benefits.

Coverage is subject to the terms, conditions, and exclusions of the actual policy, which forms the contract between the insured and the insurance company. Available coverages, credits, and options may vary by state. ©2017 Allianz. All rights reserved.
