*"Our agency was approached by our Selective territory manager, Gregg Porter, to roll a portion of our flood business from another carrier to Selective. We were pleasantly surprised at how easy and seamless the whole process was. Gregg came into our office and basically did all the work for us. We had a high success rate and couldn't be happier with Selective. Their customer service representatives and underwriters are very knowledgeable, friendly and always helpful. We are very satisfied with the whole experience and with Selective!" – IIABL Member*

Selective makes the transfer process easy and profitable for IIABA members. Selective does not use any third party administrators for our processing, which allows us to tailor a transfer plan that works for both you and your customers. Our team will work directly with your agency to collect the required underwriting documents. Then our rollover underwriting team will handle the processing, including sending out a letter to your customers letting them know of the change. We also provide you with a real-time rollover tracking report to help monitor the status of the transfer.

Selective offers competitive commissions and transfer incentives for rollover business.
